

WIGGINTON PARISH COUNCIL
Minutes of the Annual Meeting held on
14 May 2025.

1. **Apologies** – M Cobb.
2. **Declarations by Councillors in compliance with ‘Openness and Transparency on personal interests’** – none.
3. **Previous Minutes** were approved and signed.
4. **Chairmans report** – Report read. As usual, annually, the current chair resigns. The Chair was re-elected. Thanks were given for all the hard work put in over the last year by R Fazey in this position.
5. **Finance** – Audit was completed and accounts are now available for view. It was noted that we will require a full Tree Report again 2025/26 Nov-Feb.
6. **Village Hall Report** – it was requested that the grass be cut on the Village Field before the Village Fete on 13 September 2025.
7. **Matters Arising** – Thanks were given to the Fuel Allotment Charity Trustees for all their outstanding work and in particular to the long service given by Oliver Langdale. Sue Checkley has agreed to continue and has thus been ratified. New trustee Kate Dobbs welcome.

The state of the grass verges was raised, in particular the erosion in alongside the Village Field. It was discussed that complaints on this problem would be pointless on Fix my Street, reporting offenders a possibility but not really viable. Mill Bridge issues were also raised again. Road Diversions fiasco - It is understood by the parish Council that new software would soon be available which may help sort some of the road diversion issues.

8. It has been requested and approved that two fixed items are added to the Agenda of Meetings going forward, Cultural Heritage and Environmental Matters.

9. Next Meetings

Wednesday 17 September 2025
Wednesday 10 December 2025
Wednesday 11 March 2026
Wednesday 13 March 2025.
Meeting closed 8.50.
